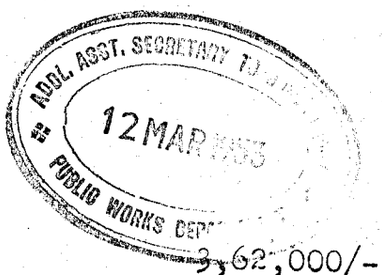
Letter No. 8170/D2-53-2 dated 9-3-53

Sir,



Sub: Contracts - Highways Department - South Kanara Division - Constructing a bridge over Nileshwar River at M 50/2 of Kanhangod Chervathur Road of B.C.C. Road execution of - regarding

- - -

1. The estimate for the above work for Rs. 3,62,000/- was sanctioned by the Chief Engineer (Highways). Tenders were invited on 7-1-53 and the settlement of the tenders is under consideration.

2. In view of the fact, that this bridge work is located in South Kanara District where the working season is limited and inview of the large contract amounts involved as this work, the contract period for the completion of this work has been fixed as 18 months. As per para 2 of G.O.Ms.No.200 P.W dated 16-1-51, works which cannot be executed within a year should be split up into convenient operational stages to avoid long term contracts and if they cannot be split up such cases should be referred to Government and orders obtained. In this case, it is not possible to split up the work without having to face serious complications. Hence I request, that sanction of Government may please be accorded for entertaining long term contract without splitting the work.
